

HOW TO USE PREVAIL® PROTECTIVE UNDERWEAR

(Pull-on briefs)

1. Make sure to choose the correct product size.
2. Open and unfold the product.
3. Pull over feet and legs as done with regular underwear with the size indicator located in the back.
4. Pull up like regular underwear to position in place.
5. Pull up and down for ease of using the bathroom
6. To remove when wet, tear sides with quick motion from bottom to top

IMPORTANT NOTES:

- Do not use two products at once
- Do not flush products.
